## MONTCLAIR RAILROAD TRAIL

**All dogs  
on~leash  
here.  
Really.**

Our trail is an on-leash space,  
and for many good reasons.

*please see inside!*

**We welcome dogs...** *but on our trail dogs on-leash are better for all.*

### **Help us avoid these issues:**

- ◆ dogs jumping, barking at or body-blocking people and bikes
- ◆ conflicts between on-and off-leash dogs (and their owners!)
- ◆ dog waste (*especially off-trail*) a mess for the local ecology, and for the volunteers who work on the trail
- ◆ owners calling out to their unleashed dogs disturbs our neighbors with homes on/along the trail
- ◆ dogs getting into hazards like toxic mushrooms and poison oak

### **Know the facts:**

- ◆ Montclair Railroad Trail is an on-leash City of Oakland space, OMC#6.04.080
- ◆ owners are legally and financially responsible for any incidents and injuries involving their dogs
- ◆ dogs must be kept on a 6 ft. or shorter leash at all times OMC#6.04.070
- ◆ the City is stepping up patrols. You can be cited for not keeping your dog on leash while on the trail

*Thank you for helping keep the trail safe and enjoyable for everyone.*
